WINTER APPEAL · ENERGY & EVERYDAY ESSENTIALS

Keep the lights on for Ukraine's orphanages this winter

When attacks cut the power, children are left in the dark for hours. We bring power stations and everyday essentials to orphanages, so they keep light, heat and a way to stay in touch.

How BUY works

1. **Choose** one of three power stations
2. **Buy** it ships straight to us in Lviv
3. **Delivered** to an orphanage in need within a week
4. **Updated** you hear when it arrives

"Space for a short quote from an orphanage director or carer about what a power cut means for the children."

— Name, role, orphanage

Ask your family, friends and colleagues. Share this flyer, start a fundraiser, or club together to give a power station. Each one moves from orphanage to orphanage, wherever it is needed most.
